## CLASS DESCRIPTIONS

### FIRST LUTHERAN LOCATION

**ARTS & CRAFTS** **First Lutheran**  
Tired of hearing "I'm bored?" Doing crafts is a perfect way to liven up any child's day. Let Missy Breidenbach, Danita Schwilk and Lisa Andres get your child's creative juices flowing with all kinds of arts & crafts. The best art can be messy so wear old clothes.

**BEACH TIME** **First Lutheran**  
Students will love visiting a pretend beach created by Jan Stoneburner. They will learn about seashells, marine life, and tropical plants while combing the beach for shells, saving an endangered sea turtle nest, and creating mini terrariums with air plants. Full of sensory experiments, this class will be a lot of fun for all ages. Flip flops and sunglasses provided.

**CALLIGRAPHY** **First Lutheran**  
Calligraphy is a beautiful art of lettering and handwriting. You will follow simple instructions to master class alphabet script and learn how to modify these styles to produce stunning effects. You will complete your own motto on special calligraphy paper. All supplies furnished - bring your own talent and prepare to have fun with Teresa Logsdon.  
**Grades 3-5 ONLY**

**CRAZY SCIENCE** **First Lutheran**  
Kids will focus on mind-bending experiments involving chemistry and physics. Find out how much fun learning about science can be with instructor Andy Ealy.

**FUN WITH FARMING** **First Lutheran**  
Come and learn about the wonderful world of agriculture with members of the Upper Sandusky FFA! Have you ever wondered what came first, the chicken or the egg? Explore chickens from the egg to the bird. Do brown cows make chocolate milk? Find out about milk and learn how to make ice cream and/or butter. Can corn in the field pop like popcorn does? Find out all there is to know about corn from the corn in your field to the corn in your belly. Join us as we explore how agriculture feeds the world!

**JR. CHEF** **First Lutheran**  
Jessica Pohlman, Family & Consumer Science teacher at USHS will show students how to create snacks and meals while learning basic cooking skills, food safety and nutrition. Students will prepare simple foods throughout the three classes and taste test their final masterpieces.

**JEWELRY & ACCESSORIES** **First Lutheran**  
Enjoy being creative in this class! Lesley Hayman will help students improve their small motor skills, work with patterns and practice counting while making their own awesome pieces jewelry and accessories for themselves or to give as gifts. Mother's Day is coming up! **Grades K-2 ONLY**

**PHOTOGRAPHY** **First Lutheran**  
Photographer Nicky Bowen will share her love and knowledge of photography with students. Each week students will be doing something new and exciting with their cameras. A digital camera is needed. Please advise the day of registration sign-ups if a camera is needed.

### ST. PAUL LOCATION

**A DAY AT THE SALON** **St. Paul**  
Come enjoy learning different ways to style your hair, proper nail care and a day of fun with makeup. Enthusiastic stylists and technicians from A Cut Above Salon will share their many skills as they teach you creative ways of highlighting your natural beauty.

**DARTBALL** **St. Paul**  
Dartball is a fun game in which darts are thrown at a large wooden board that resembles a baseball field with colored areas which denote bases. The darts are SHARP objects and real darts will be handled during this class. Members of the Wyandot County Church Dartball League will teach your child how to safely handle and throw the darts and how to use baseball like scoring.  
**Grades 3-5 ONLY.**

### **NATURE TIDBITS & FUN**

**St. Paul**

Join Angie Ford of the Gottfried Nature Center as we examine invertebrate critters known as insects! Get a close look at many samples of insects, from pests to beneficial. We will use microscopes to view samples that we find in our houses and outdoors. Feel free to bring some of your own "bugs" in a container with a lid, please! We will also look at the fascinating world of fossils, rocks, & minerals. Come and see Angie's collection and put together one of your own!

### **ORIGAMI**

**St. Paul**

Fun and simple! Retired elementary school teacher, Carolyn Richardson, will introduce students to Origami, the wonderful Japanese art of paper folding. Not only will it help your children develop hand-eye coordination and sequencing skills, it will create a great sense of accomplishment in them. Students will definitely enjoy folding colorful boxes, boats, animals and other projects.

### **RIDICULOUSLY AWESOME HOMEMADE SUMMER GAMES**

Mrs. Andrea Schneider and Brenda Koehler will jump start the summer fun with these Summer Boredom Busters! Children will make and take games home along with a booklet full of ideas to do using inexpensive household items.

### **SNACK ATTACK**

**St. Paul**

In the mood for food? Kelly Giacalone will show you how to create simple and delicious snacks guaranteed to satisfy your hunger. The only thing you need to bring is your appetite.

### **TASTY SCIENCE**

**St. Paul**

Ah, the sweet taste of science at work! In this exciting class Mindy Huff will be showing students how to turn a kitchen into a science lab. The young scientist will create fun, tasty experiments and explore the elements of science. What a tasty experience!

### **WOODWORKING WITH JAY**

**St. Paul**

Children who love to build things will enjoy learning to work with wood in this beginner class. Jay Swinehart will teach kids about basic tools, supplies and safety while having fun constructing their own wooden creations.

## **UNION LOCATION**

### **CRAFTY SCIENTIST**

**Union School**

Want to be a crafty scientist? Then come help Miss Jill from the Upper Sandusky Community Library do a science experiment and a craft along with it.

### **CROCHETING**

**Union School**

Learn the basics of crocheting with Darlene Perricone. Kids will learn the basic techniques on how to use the hook and yarn to make a hat and/or washcloth. They will learn two different stitches, single and double crochet. Join the fun on learning a new skill that you can enjoy forever and can share beautiful homemade gifts. **Grades 3-5 ONLY.**

### **KARATE**

**Union School**

Paul Black, a 6th Degree Black Belt from the Ferris Academy of Martial Arts in Brighton, Michigan will introduce karate in this awesome class. Paul will teach your child basic kicks, strikes, blocks and self defense techniques. Please wear loose fitting clothes such as sweat pants.

### **LEGO LAND**

**Union School**

Ready to build? Students will be stimulating their creativity and learning the basics of structural engineering with LEGOS. Join Mrs. Jenny Young and her son Clay as they assist students each week with different LEGO stations on how to create cool masterpieces.

### **MINUTE TO WIN IT**

**Union School**

Based off of the TV show "Minute to Win It" physical education teacher, Roman Ream, will teach your child how to use hand to eye coordination to complete a series of challenges as they race against the clock. Some of the challenges they will be competing in are: Stack Attack, Back Flip, Defy Gravity, Tilt a Cup, and many more. The school will provide all of the equipment, so just come and have fun! **Grades 3-5 ONLY.**

### **PAPER MACHE MASKS**

**Union School**

Would you like to disguise yourself as a super hero or maybe an animal? Come join Mrs. Kelly Fahle and make a paper mache mask!! Students will cut paper strips and glue to construct fanciful masks. When the paper mache is dry, we will paint our mask with a variety of designs. We will then decorate with beads, yarn, feathers, and glitter, and variety of other materials to finish our new faces.

### **TRIPLE THREAT THEATER**

**Union School**

Workshops are the training playground where students get to learn Broadway songs, musical theater, dance moves and play acting games that will hone their skills as they learn what it means to become a triple threat on the musical theater stage. Join Keitha Voorheis for a high-energy, fun-filled, fast-paced activity based workshop you won't soon forget.

### **WRESTLING**

**Union School**

Do you want to know about the sport wrestling? Bill Thornton has been a wrestling coach for 25 years in the Upper Sandusky School system and a class 1 official for 12 years. He will instruct each athlete in the fundamentals of the sport of wrestling in order to prepare you for middle school and high school participation. The athlete will be instructed on the benefits of good nutrition, exercise, tumbling, basic moves and good sportsmanship to prepare them to become a well rounded wrestler.

## **WYANDOT LANES LOCATION**

### **BOWLING**

Want to teach your children patience and good sportsmanship while improving hand-eye coordination? Do your children need exercise? Let Brandt Walton introduce them to the sport of bowling at kid-friendly Wyandot Lanes. He will provide instruction on how to hold & throw the ball while using bumpers to help them knock down lots of pins. Just come ready to have lots of fun. Mark your shoe size on the sign up sheet.
