Ways to support your church:

Pray: not only for our church, but our family here; our community, our leaders and our world.

Volunteer: Having readers and greeters as well as other various little tasks help the services to run more smoothly. Please let us know how you can help or "raise your hand" when we ask for help.

Give: there are far better subjects to discuss, but finances are still important. By mailing your offerings, dropping them off, or by setting up a bill pay through your bank you can continue to financially support the work of your church.
